# NIGHT ON THE SERENGETI

Join us for an unforgettable evening at our annual “Village Life: Night on the Serengeti,” marking the 20th Anniversary of Village Life. This special fundraiser, set against the backdrop of 21C Hotel, brings you the biggest celebration of 2025. As we reflect on two decades of impactful work with Village Life, over 900 UC students, faculty, and staff have traveled with us. And hundreds more involved in stateside work. The evening will begin with a vibrant happy hour featuring lite bites and heavy hors d’oeuvres by 21c Chef and Afro Meals recipes. The chance to connect with fellow supporters, stroll the 21c art gallery, and delight in the taste of Tanzania wine experience.

And to celebrate such a monumental occasion in Village Life History, we’ve teamed up with Revolutionary Dance Studio and Lex Nycole to feature two captivating live performances that tells the story of our journey and the wonders of Tanzania. This show offers a glimpse into the rhythms and tapestry that inspire our mission. Showcasing the beautiful Tanzanian heritage and culture while shining a light on the vital work that is still ahead.
